Mr. Richardson to Address the Committee of Ways and Means—Trenty with the Indians.

Washington, March 26.
On Wednesday Mr. Richardson, of Boston, is to make an argument before the Committee of Ways and Means in favor of making license protection for the sale of spirituous liquors, instead of permission as first decided by the suprement court of the United States.

An official proclamation has been made to the ratification of a treaty between the United States and the chiefs and head men of the ratification of a treaty between the United States and the chiefs and head men of the Minnecougin, a band of Dakota, or Sioux Indians. These Indians bind themselves to discontinue for the future all attacks upon the persons or property of the other tribes, unless assailed by them, and to use their influence to promote peace everywhere in the region occupied or frequented by them. The bindes agree to withdraw from the route overland already established, or here is and is tensiled through their country, and is tensiled through their country, and is tensiled through their country, and is tensiled through their country and is tensiled through their country and is tensiled through their country, and is tensiled through their country and is tensiled through their country and is tensiled through their country.
